## KENTUCKY'S INFAMY.

In a brief submitted to the Court of Appeals, State Senator CHARLES J. BRONSTON of Lexington, the well known Democratic leader, says of the principles and objects of the Goebel Election Law:

"The measure viewed from a purely political standpoint, is cowardly, corrupt and dishonest."

"Cowardly, in that it forces a great party, which has attained a complete local success by persistent adherence to fixed principles of exact equality of the citizen, free and equal elections and local self-government, to abandon such principles and ask future advancement by the use of powers so concentrated and arbitrary as to offend all sense of fair dealing."

"Corrupt, in that it creates a political machine and makes it possible for a free people to be governed by a boss whose greed for official power will supplant all interest, however dear, of the individual citizen."

"Dishonest, in that, under the plausible pretense of preventing fraud, it opens a wide the avenue for complete local fraud as to become a regular feature of the traditions of the party whose fair name the promoters of this measure seek to degrade. The intelligent and courageous manhood of this state will never submit without protest to the use of such arbitrary and autocratic power, and the political party which assumes the burden will surely be crushed under its self-destructive weight."

"May I beg to state to this honorable Court that the only hope of the citizens of this commonwealth for relief from such radical invasion of constitutional rights lies in this Court. Partisan and political majorities, when once clothed with such power, will never surrender it. If this act is judicially approved by the highest Court it will never be repealed, and only amended to increase the power therein conferred. The majority will effectively use it, and if perchance the opposing minority should succeed to power, they, too, will keep and use it."

THE Vanceburg Sun came to us this week enlarged to eight pages and covering the entire local field of Lewis. Editor WILSON is certainly deserving of the support of every citizen of his county.

A REPORT submitted to Congress by the Commissioner of Fish and Fisheries shows an expenditure of \$187,800 for the propagation of food fishes during the fiscal year ended June 30th last. This is pretty nearly as cheap as catching them from the Northfork.

BECAUSE her husband went home and threw the dinner out into the yard Mrs. MARTIN SCHRADER has filed suit for alimony at Chillicothe, O. If that had happened in Kentucky the chances are that Mr. SCHRADER would have been tossed out with the dinner.

THE Democratic papers were quite jubilant a few months ago over the fact that STEPHEN A. DOUGLAS had joined their party. But now that Mr. DOUGLAS has announced his return to the Republican ranks they haven't a word to say. He couldn't stand the modern anti-progressive Democracy.

GENERAL JOSEPH WHEELER, who by the way is the only Democratic Congressman that went into the Army, has resigned his commission and resumed his seat in Congress. He endorses President McKinley's policy and says he will fight for the Administration, for Expansion and for Progress. General WHEELER was a "rebel" General in 1861; in the Spanish-American War he led an army against the Spaniards at Santiago and whipped 'em; he is now an American Patriot, in strange and striking contrast to such men as the late GROVER CLEVELAND.

THE French Government is reported to have resolved to take up the case of the French holders of Cuban bonds, and it is believed France will declare that the repudiation of the bonds is the result of the treaty which this Nation has imposed upon Spain. They argue that through the treaty responsibility has been shifted upon America, and therefore the French Government will endeavor to exact some pledge for the payment or guarantee of the bonds. If one may judge from the news from France during the past few months, that country already has enough troubles of its own. Mr. CHAMPAGNE, when you do justice to poor DRYFUS it will be time enough to meddle with matters that do not concern you.

## GOLD DISCOVERED.

A Kentucky Farmer, Who Has Been Offered a Large Sum for His Farm in Crittenden County.

HENDERSON, Ky., Dec. 10.—Several parties here are interested in mineral lands in Crittenden county on the I. C. railroad, and are very much elated over the discovery of gold in that vicinity. Wednesday, while Joe Benton, who resides five miles from Marion, the county seat, was prospecting for minerals on his farm, he struck a vein of mineral which he did not understand. He had a lump of it examined by an expert, who said there was a large percentage of gold in it. He has already been offered a large price for his farm. Crittenden county has always been known to be rich in minerals, but never before was it thought that gold would be discovered there.

## GOVERNMENT PROPERTY.

A Car Load of It Reported Lost From Camp Hamilton Hospital Quartermaster Department.

LEXINGTON, Ky., Dec. 10.—In settling up accounts a car load or more of government property is reported lost from Camp Hamilton hospital quartermaster department. Nobody seems to know where it is. In issuing supplies for hospital wards it is claimed paper receipts were taken, but one by one blankets and all kinds of property were missed and it was declared they were stolen.

In a farm house, near the hospital, up under the roof, nearly a two-horse wagon load of blankets, guns, buckets and clothing have been found. Lost and missing property is worth over \$5,000.

## ROPE ABOUT HIS NECK.

Kid Johnson, Colored, Confessed to General Burglaries—He Is Imprisoned and Named a Gang of Thieves.

PADUCAH, Ky., Dec. 10.—Ten days since two Negroes named Kid Johnson and Dick Oakley were arrested here charged with general burglaries in towns of this section. They were taken to Fulton and later to Union City, Tenn. Robberies have been committed at each place. At Union City Johnson, with a rope around his neck, was forced to confess and he told a sensational story, implicating and naming a large gang of thieves, among them secondhand dealers in several places. Dick Oakley, was brought back here Friday and now he is talking. The promise is there will be many arrests in this section soon.

## Will Sue for Fees.

FRANKFORT, Ky., Dec. 10.—Attorney General Taylor will file suits Saturday against 39 present and ex-circuit clerks for sums aggregating \$10,300 paid them as fees in felony cases. The law under which they were paid has since been declared unconstitutional and the court of appeals rendered a decision compelling clerks to refund fees already paid them. Among the clerks and ex-clerks of counties sued are the following: Shelby, Garrard, Pendleton, Montgomery, Boyle, Bell, Johnson, Harlan, Perry, Graves, Scott, Daviess, Magoffin, Lawrence, Lincoln, Laurel, Rowan, Bracken, Clark and Knox.

## Are Not Satisfied.

MUNFORDVILLE, Ky., Dec. 10.—The farmers and tobacco growers of Hart county are very much dissatisfied with the association organized at Lexington last Monday. They are of the opinion that the convention was captured by the warehouse men. A movement has been commenced to have another convention to be composed strictly of farmers and tobacco growers.

## Gooding Alimony Case.

FRANKFORT, Ky., Dec. 10.—The court of appeals delivered a response and overruled the petition for rehearing in the Gooding alimony case from Covington Friday. The response holds that the parties must abide by the ruling of the lower court, both as the time payment of the alimony shall begin and also as to costs.

## Tobacco Growers Meet.

LEXINGTON, Ky., Dec. 10.—A meeting of the State League of Tobacco Growers, recently formed, was held in this city Friday. State organizers were chosen to go all over the state and organize county leagues. The league is taking active legal steps against the tobacco trust. This is the first meeting since its organization.

## They Want Their Pay.

LEXINGTON, Ky., Dec. 10.—Twenty-five men who did work as scrubbers at the John Blair Gibbs hospital and who have been trying for three months without success to get their money from the government, are preparing to take active steps to secure it. Their claims range from \$25 to \$100.

## WINE OF CARDUI

## FOR ALL WOMEN

Nine-tenths of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation. Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

## McGEE'S Wine of Cardui

Is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life." They all need it. They are all benefited by it.

For advice in cases requiring special directions, address, giving symptoms, the Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."
